

ST ANDREW THE APOSTLE SCHOOL

EVER TO EXCEL

Welcome

St Andrew the Apostle is a high-performing 11-18 school where students learn and thrive in a well-ordered and happy environment. Our school is based on the Christian faith, the moral principles of the Church and our Character Education values, but we welcome all families who are looking for genuine academic excellence and personal growth for their children.

The school is a diverse environment and serves students of all faiths and beliefs. Half of the places are reserved for Greek Orthodox families. Although we are located in Barnet we also have students from a range of other boroughs as well as beyond London. We are currently planning for our brand new, purpose-built school and sports facilities on the same site, which is a very exciting prospect for staff and students alike.

Ofsted 2018

"The school's work to promote pupils' personal development and welfare is outstanding."

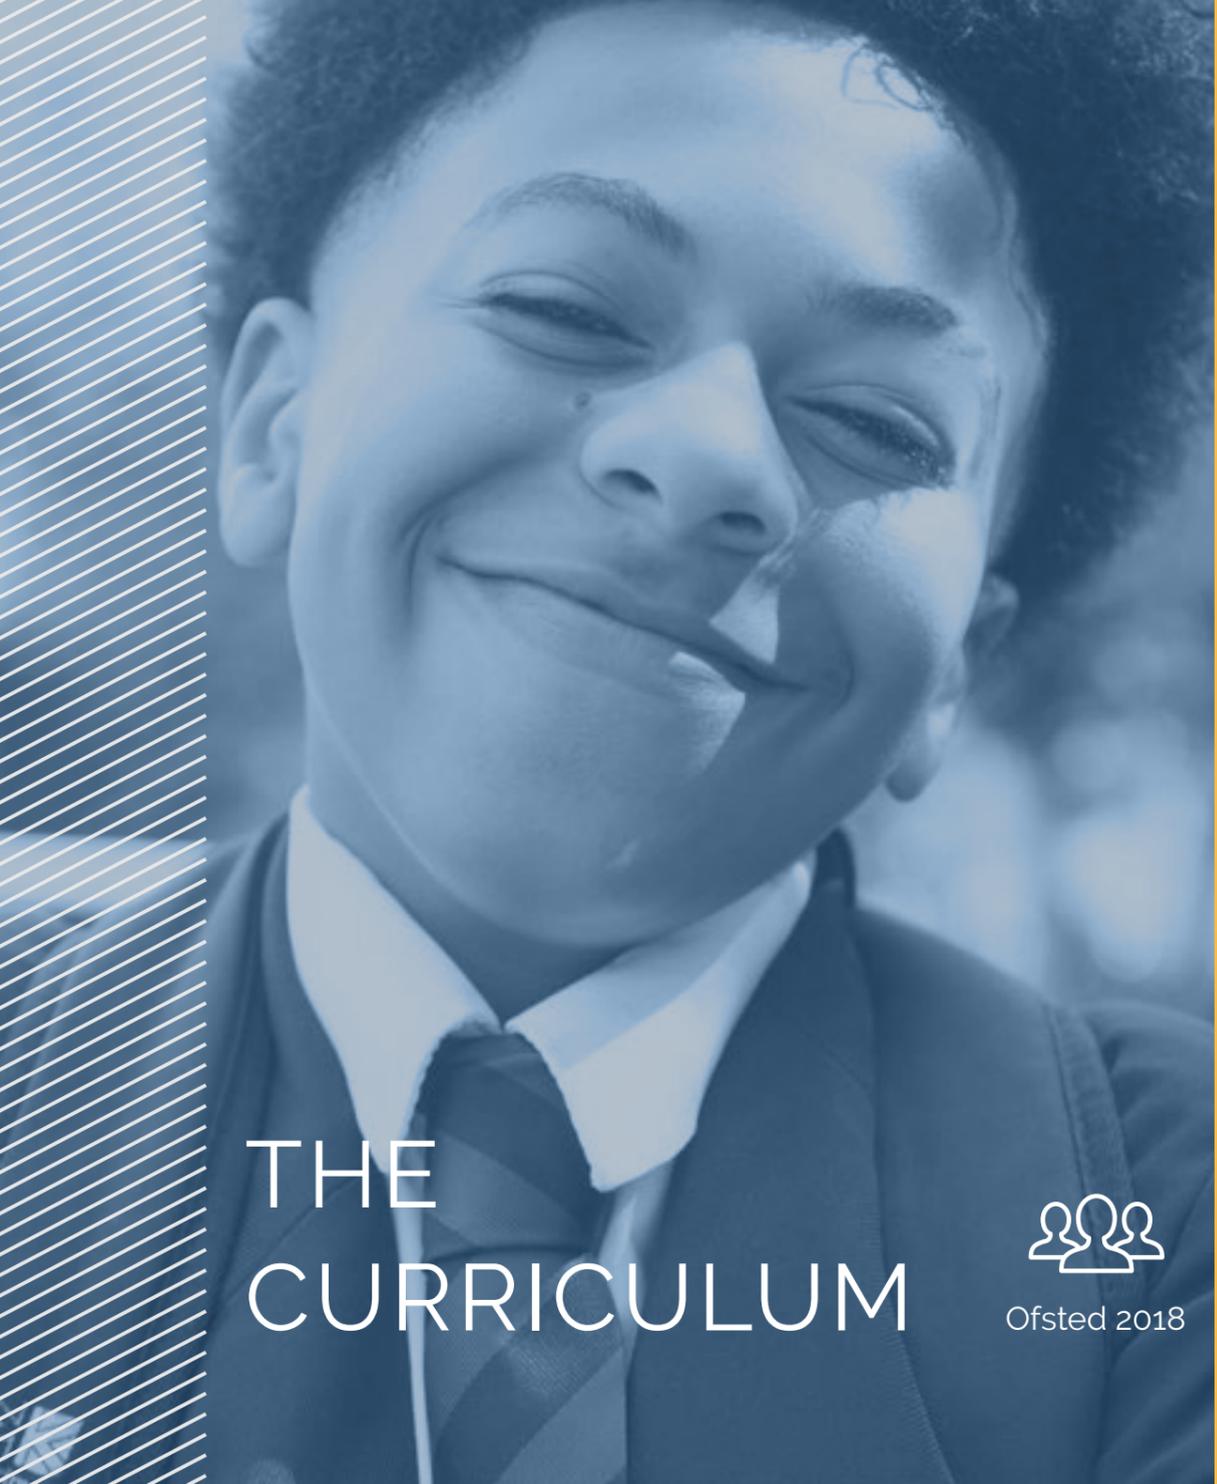

Our first cohorts have performed exceptionally well with results consistently placing the school within the top quartile nationally, and in some aspects in the top 10%. Both Ofsted reports have recognised the progress made by our students and the overall quality of the school.

I look forward to welcoming you to our school.

Michael Vassiliou

Headteacher (Acting)

THE CURRICULUM

Ofsted 2018

Underpinned by our Christian values, we offer an expertly-delivered, 'traditional but contemporary' curriculum. We support all students to achieve their academic potential.

Our curriculum meets the needs of all students, developing them intellectually, socially, culturally, spiritually and morally. There is a focus on the core subjects of English, mathematics and science to prepare every student for life beyond school at university, in training and in employment. The number of students getting the prestigious English Baccalaureate (between 5 and 9 good grade GCSEs including English, mathematics, science, geography or history and a language) is more than double the national average, with a high proportion of the Year 11 group achieving top grades. In Year 7 all students study English, mathematics, sciences, French, classics and Latin, religious studies, technology, history, geography, physical education, art, drama and music.

"Leaders plan a curriculum which ensures that pupils learn and make progress across a range of subjects."

TEACHING

Effective and engaging teaching, which benefits every student, is at the heart of everything we do. There is a strict recruitment procedure for all of our teaching staff, which includes a lesson observation as well as a formal interview. Only good or outstanding teachers are appointed. The quality of provision in the classroom is closely monitored by school leaders and advisers from our academy sponsor.

Ofsted 2018

"Teachers plan activities that match their pupils' abilities. Pupils respond with enthusiasm and make good progress in lessons."

CHARACTER EDUCATION

Our Christian values are respect, responsibility, caring, fairness, forgiveness, honesty and trustworthiness. They support the Christian ethos of the school and strong discipline in the classroom. The school is fully committed to exemplary behaviour at the heart of a highly cohesive school community.

Students see their form tutors daily. The pastoral system plays a central role in academic success and personal development. The school's approach is closely linked to our academic monitoring systems.

"The religious ethos in the school provides a strong base for the support of pupils' personal development and welfare. Pupils speak with pride about their school and relationships in the school."

Ofsted 2018

PARTNERS IN EDUCATION EXCELLENCE

St Andrew the Apostle School opened in 2013 as a result of a successful partnership forged between the Greek Orthodox Church, the Classical Education Trust and our academy sponsor, Russell Education Trust (RET).

RET is an academy trust with five secondary schools all of which like St Andrew the Apostle were developed from Year 7 upwards. RET schools perform consistently well in examinations and Ofsted inspections. St Andrew the Apostle School continues to benefit from the expert support of RET advisers and a successful partnership with other highly achieving RET schools.

We remain grateful for the vision and support of the Holy Archdiocese of Thyateira and Great Britain and Ireland and the support of other faiths locally. We appreciate the involvement of the Classical Education Trust which continues to work with the school to ensure our students have the intellectual advantages of a classical education.

Ofsted 2018

"Students value opportunities to help around the school, particularly with supporting younger pupils."

EXTRA-CURRICULAR ACTIVITIES

There is a full programme of sporting activities and our teams compete regularly and successfully against other schools. This is in addition to a wide range of clubs and activities before and after school and at lunch time.

We also have a wide variety of performing arts clubs and events which include orchestra, choir and drama club. Whole school productions to date include Charlie and the Chocolate Factory, The Wizard of Oz and Bugsy Malone.

The Student Council is an elected body of students that meets regularly and provides invaluable feedback to school leaders. It exemplifies democratic thinking and debate and supports decision making in the school.

Ofsted 2018

"There are many extra-curricular activities for pupils, including in sports and the arts."

Ofsted 2018

Teachers use questioning effectively to deepen and develop pupils' understanding"

SIXTH FORM

Our Sixth Form opened in September 2018. This followed the excellent GCSE results achieved by the founding students.

The Sixth Form quickly established itself as a very strong feature of the school, offering a wide range of courses and outstanding pastoral care. Sixth formers play a key role in the life of the school, modelling academic study and high levels of personal conduct for younger students.

Ofsted 2018

"Leaders in the sixth form set high expectations for their students. They know their students well and track their progress carefully. Students really enjoy their learning in the sixth form."

LOOKING TO THE FUTURE...

Detailed discussions continue between Russell Education Trust (RET), the Department for Education (DfE) and Barnet Council about a permanent home for the school.

Current plans feature a fantastic main school building that includes the majority of the teaching spaces including eight science laboratories, six technology rooms and specialist rooms for computer science, art, drama and music. It will also feature a roof top Multi User Games Area (MUGA). All rooms will be equipped to fully exploit the latest technologies available to support teaching and learning.

Alongside our main building, we plan to create a large Sports Hall for the wide range of sports we offer in our curriculum and during extra-curricular periods. This hall will also incorporate a smaller 'performance' area. There will be a conventional sports pitch, for use in lessons and for after school sports fixtures.

We will ensure that all existing and prospective parents of students at St Andrew are given regular updates on the progress of these developments, as well as posting information on our website.

As a school we will ensure that the strong ethos and focus on teaching and learning moves into our new building with us.

RET

RUSSELL EDUCATION TRUST

The Russell Education Trust (RET) is made up of five high-performing 11-18 secondary schools in the south of England. Member schools work together and with RET expert advisers to deliver the very highest standards of teaching and learning; and to support the achievement and happiness of every student across the Trust. The success of the Trust's schools has been recognised by Ofsted, the Department for Education, and by the communities they serve.

The RET family of schools includes:

Leaders have created a culture characterised by good behaviour and respect and consideration for each other. Staff at all levels give strong support to pupils' safety and wellbeing.

Ofsted 2018

The headteacher's inspired leadership has quickly established a vibrant, orderly community which enables students to thrive. He ensures that a family atmosphere is fostered across the school in which all students feel cared for, and valued.

Ofsted 2014

The school has many strengths. Leaders have established an open culture at the school where there is a clear sense of teamwork and community across staff and pupils alike. Everyone takes pride in the school. It is a welcoming and vibrant place.

Ofsted 2018

Pupils from a range of backgrounds thrive in this highly successful and inclusive school. Leaders are dedicated, determined and ambitious. Their actions ensure a very strong sense of community, where individuals really matter. A clearly understood set of values underpins the work of the school.
